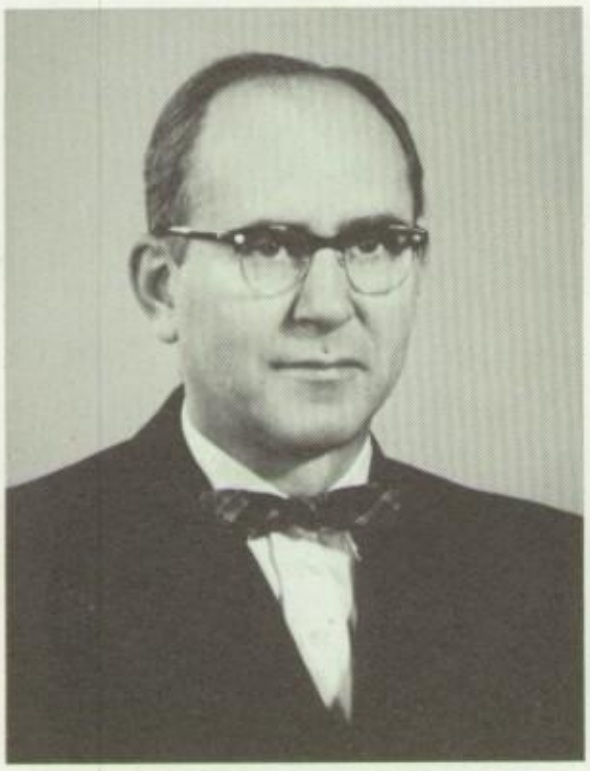
SENIOR CLASS OFFICERS AND COUNSELORS



David Buchanan

Catherine Calouri

As we take our place in society, we the class of 1956 would like to express our sincere thanks to both our counselors, Miss Calouri and Mr. Buchanan. Through our four years, they have taught and guided us. They have taught us to look to the future, to think kindly of our fellowmen, and to fairly assess our capabilities and limitations.

They have guided us to consider choices carefully and to weigh them in time of our goals. They have helped us to solve both curricular and personal problems, and we owe them much.

SENIOR CLASS SONG

tune of The Halls of Ivy

As we leave today from Grant High,
We'll look toward the someday when,
Each friend and his companion will
Once more meet again.

To the sacred loves of Grant High,
Our hearts will say goodbye,
And our loyalty will linger
And our memories never die.

The chain that binds us all,
Will soon be let to fall,
As the future sounds its cue,
And we must go.

As Grant High's echoes fill
Our hearts and always will,
We find our voices still,
And we walk slow by the friends
That we have made here.
In the school that held our class,
And though we say goodbye now,
Don't forget us when we pass.

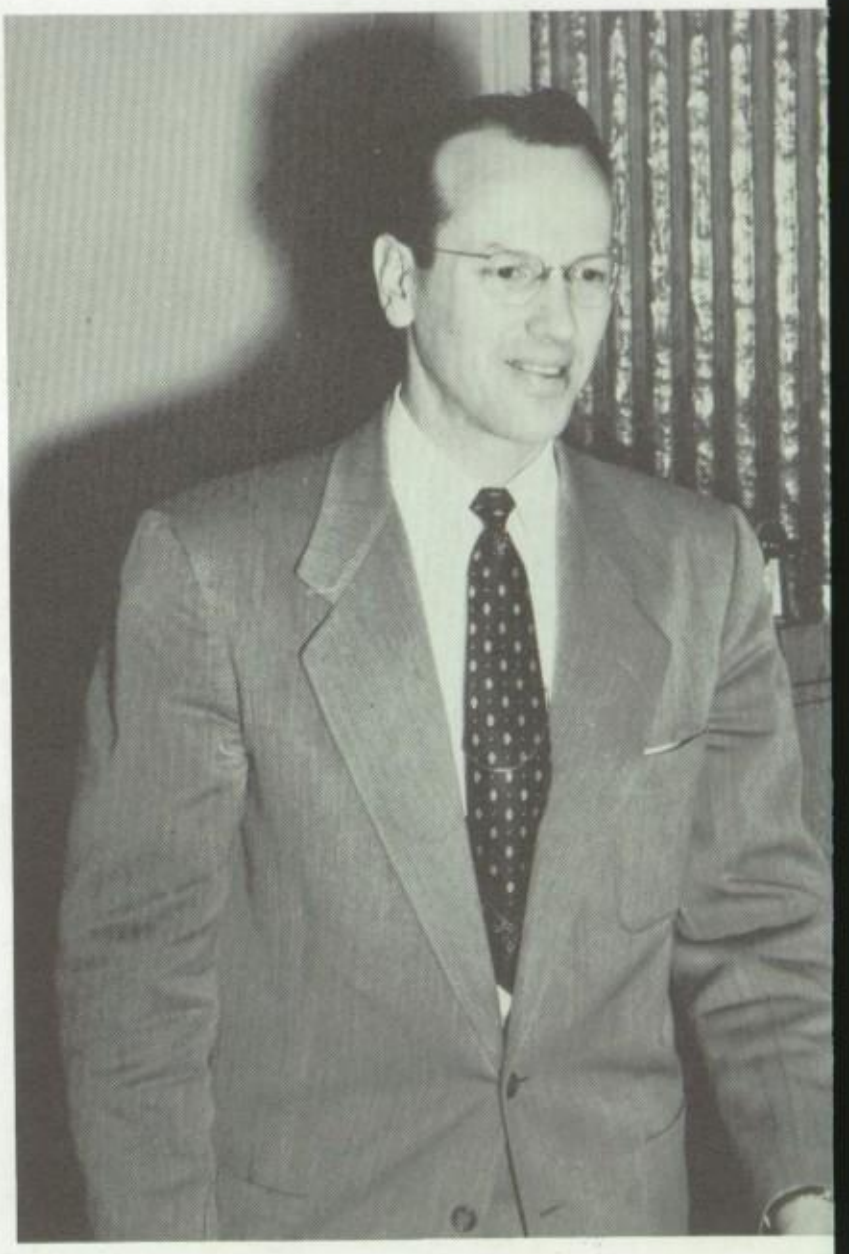
VICE PRIN

Graduation from high school is a thrilling event in your life. However, it brings a touch of sadness because it is the final chapter of an experience which you have shared with your classmates for twelve years. Now as individuals you must make your own decisions and choices for the future.

It has been said that animals live only in the present, man alone anticipates the future. What will your future be? That you must build for yourself upon the foundation which, with the help of your home, your church and your school, already been laid. We, you friends and teachers at Grant, have faith that you will build well We, your friends and teachers at Grant, have faith that you will build well. Our best wishes go with you.

Mary N. Schroeder



PALS

Educational effort here has been directed to help you develop attributes that make one a responsible citizen in the greatest representative democracy in the history of mankind. By now you should be well on the way to becoming a well-integrated person socially, educationally, morally and spiritually, commencement truly marks the beginning of new experiences.

As you occupy new places in society, your accomplishments will serve as a welcome impetus to those of us who feel as if we've had some small part in having helped to point the way. If your four years at Grant have served to prepare you to face life's problems with wisdom and without undue fear, it has been time well spent. Our fondest wishes go with you for a happy, productive life; may the future bless you with the best of this world's offerings.

Arthur L. Westcott

The greatness of America has come from its people who have fostered the ideals by which we live. Our schools have been one of the main sources of our strength through past years Perpetuation of the democratic ideal that dignifies the worth of every individual rests with the men and women of the future--you, the graduates of 1956. During the past four years, in which you have grown from childhood to adulthood, we have tried to teach you the skills, appreciations, and values that will stand by you wherever you go. If you will seek to think critically, make decisions bases on sound judgments, and have faith in your fellow men as you continue the lifelong job of education yourself to be the finest person you can be, we need have no fear of what the future holds for you, for our ideals, or for mankind. Our hopes and best wishes are with you as you leave Grant High School behind.

FALL ACTIVITIES

The general routine of school resumed on September sixth. Outstanding activities in September included the Jamboree and Student Body card drive. The Memoirs assembly, club pledging, and the drama department's presentation of "Time Out for Ginger" were outstanding October activities. November soon came, and the Girls' League once again presented its annual Mum show. The Veterans Dav and Thanksgiving assemblies also highlighted November activities.

WINTER ACTIVITIES

Winter was ushered in with the usual showers that seem to accompany every high school activity at this time of year. One of the first activities of the season was the annual Mortar Board dance, keeping girls occupied with plans weeks in advance. Christmas came to Grant in the form of an hour long performance by members of the drama and music departments. Bob Dahlstrom, student body president, along with his cabinet kept Grant on top in the Red Cross and March of Dimes campaigns. The senior class presented the second in a series of class talent assemblies and The Bishop Players visited Grant and gave the well-known play "The Devil and Daniel Webster."

ACTIVITIES SPRING

March began with a snow storm, but gradually the days became warmer and cottons appeared in the place of wools. The Girls League were the first to surmise that summer was not far away with the annual cotton day. Graduation approached and seniors were kept busy with school work and summer plans. Grant chose their Rose Festival Princess and the May Fete dance was held in honor of the six finalists. The last week of school was a highlight for seniors with the long awaited Senior Prom.

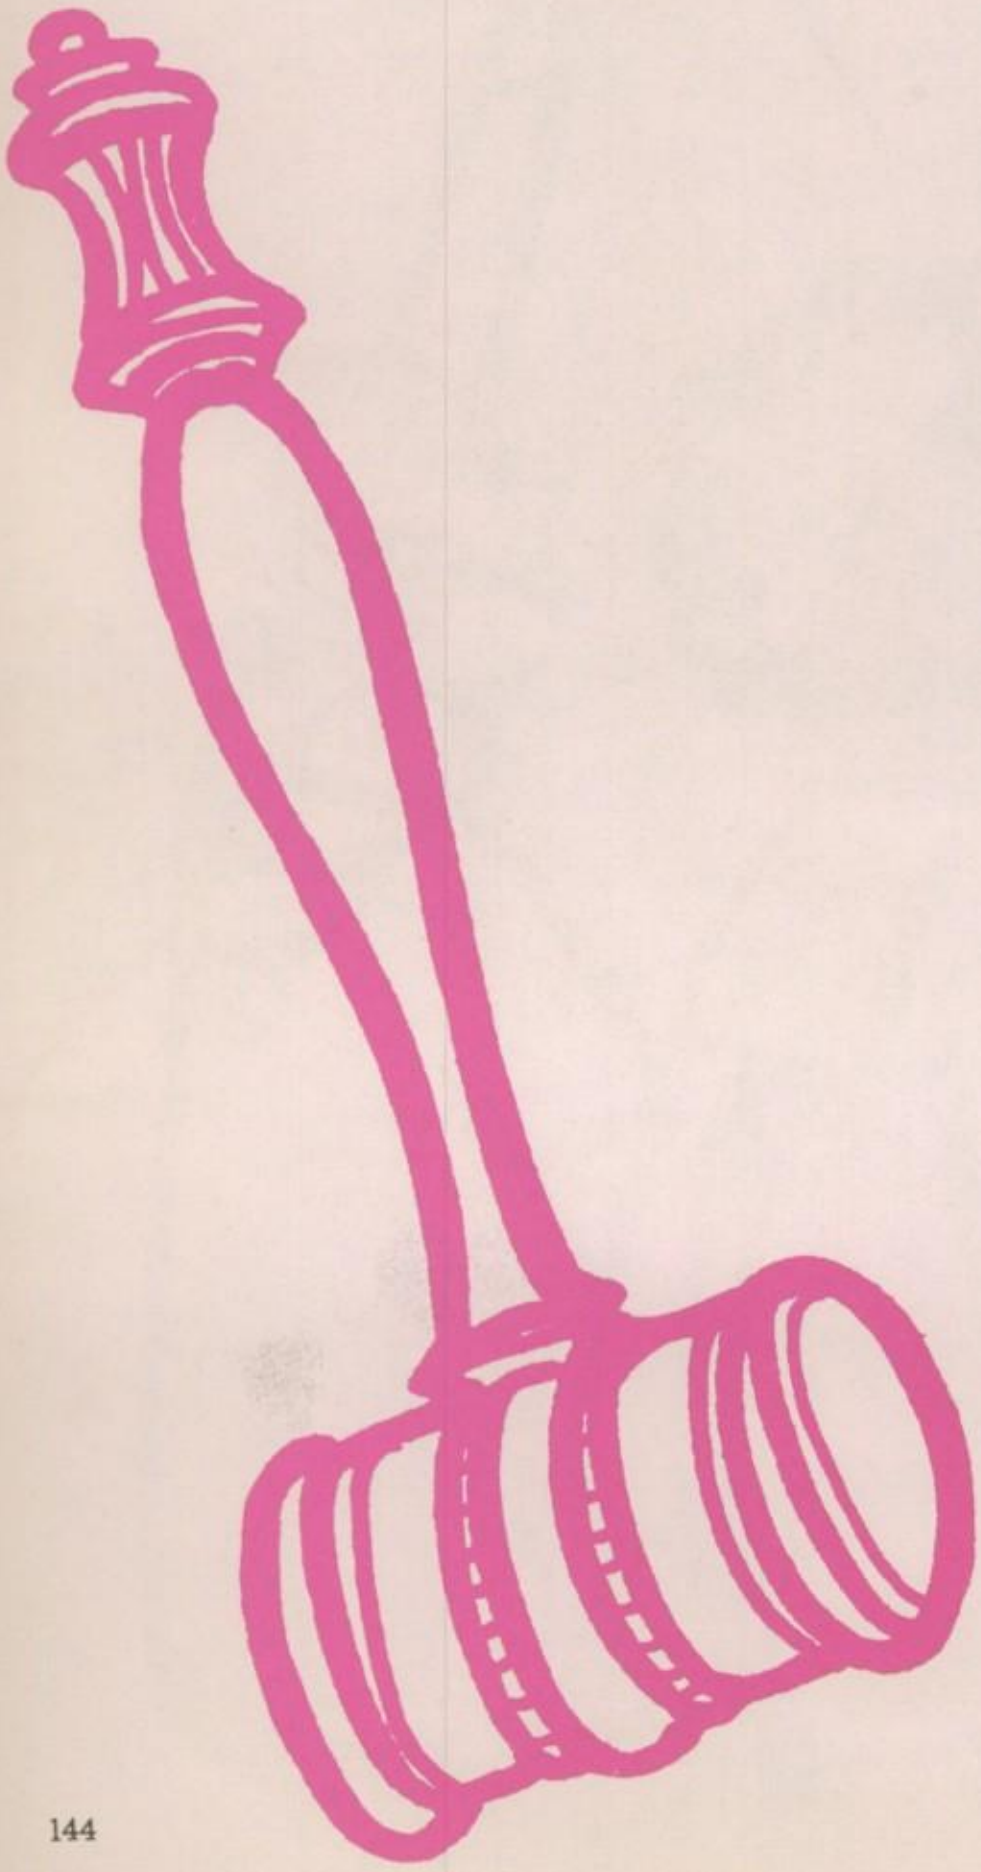
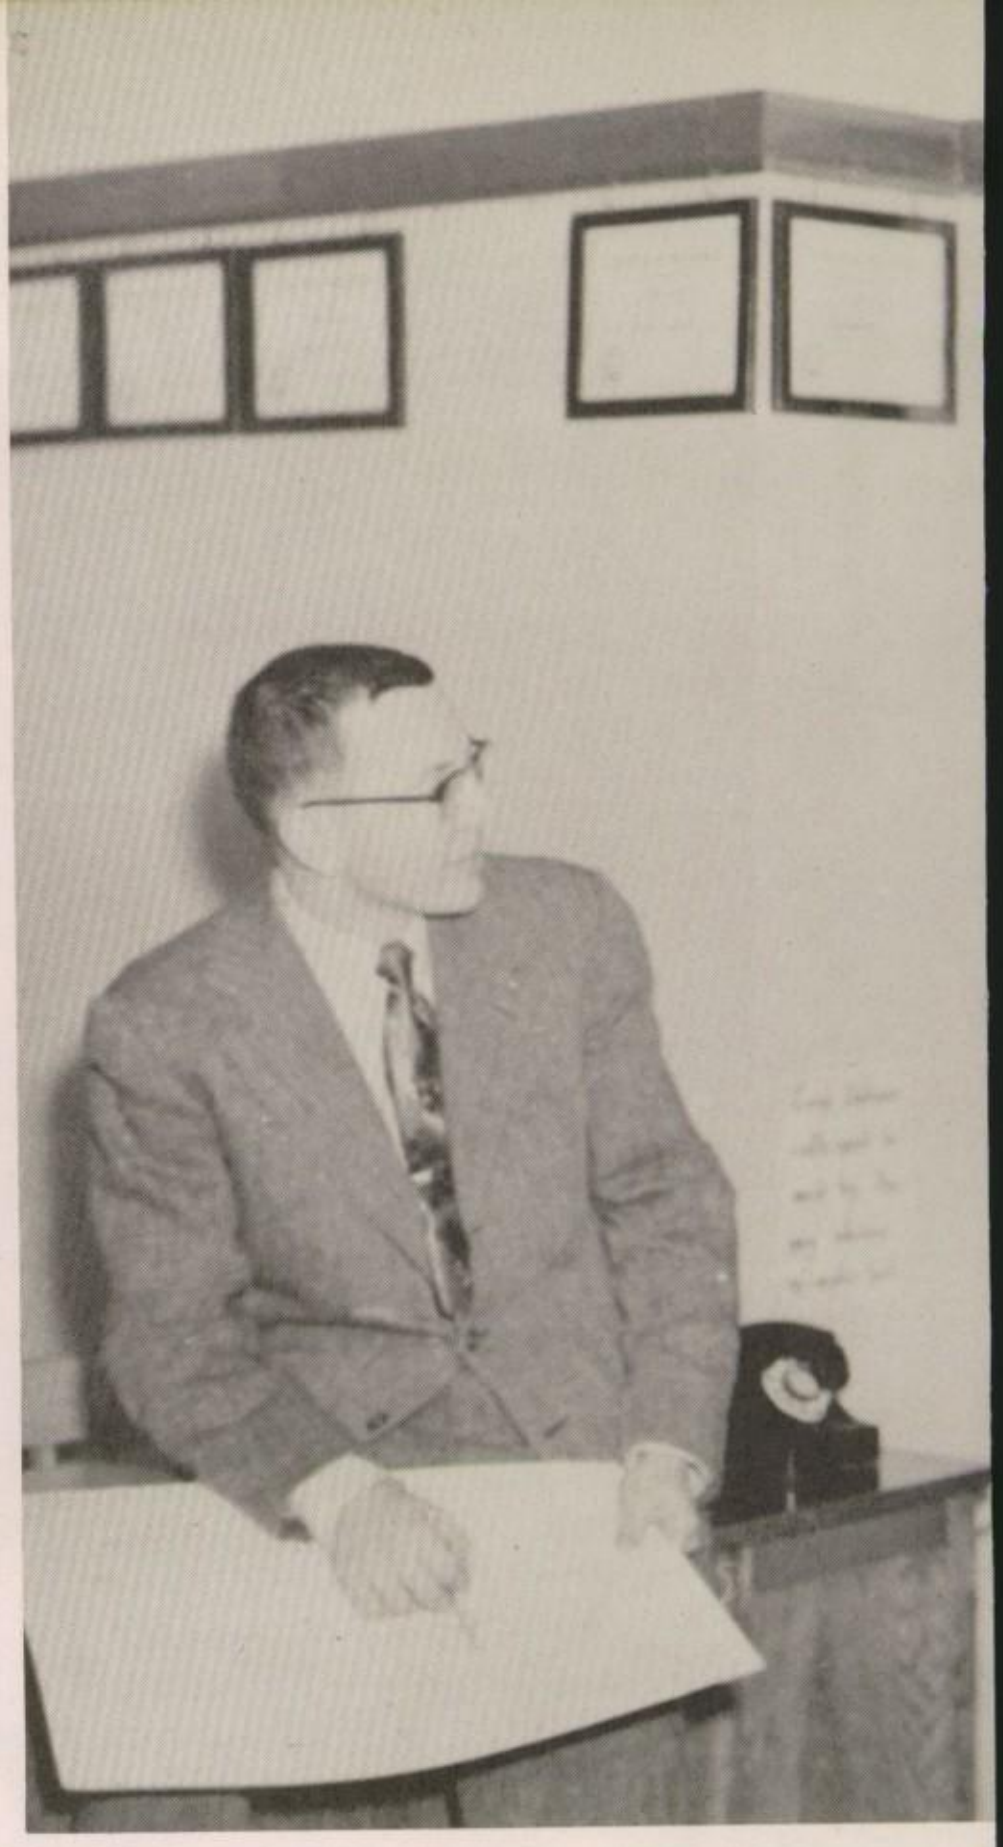
CLUBS





This year, under the efficient and capable guidanc
of our new activity director Hugh Findlay, the Gra
club system has grown steadily. Since it is the Vice
President's duty to manage the club system, Mi
Findlay has been ably assisted by the Fall and Sprin
Vice-Presidents, Ann Cairney and Virginia Damis.

There are four types of clubs now active at Gra
social, service, interest, and honorary. They a
classified according to their purpose or interest. Th
system is divided into two club councils; the intere

b council, which consists of the presidents of all interest clubs, and the social-service club ncil, which consists of the presidents of all social and service clubs. These councils meet ularly to receive instructions and to discuss ways of improving the club system.
he clubs are extremely active and throughout the year have sponsered various projects and ivities beneficial to the school, the community and themselves. Some of these activities lude dances, sales after school and at games, and innumerable service projects.
ut of the forty-three clubs at Grant there are thirteen social, eleven service, fourteen inter-, and five honorary. Three new clubs were organized this year: Cascade Hi-Y, Caeum rizon, and Whitman Tri-Hi-Y. We find that the club system contributes greatly to student, ool, and community life. Now we proudly present the clubs.

HEAD COMMISSIONERS

The Grant Chapter of National Honor Society has had a year of activities which characterize its purposes of character, leadership, scholarship, and service. The year opened successfully for the chapter when the senior members made a field trip to the University of Oregon Medical School. Meetings which were planned by the commissioners and covered a variety of interests were held twice a month throughout the year. During the last of November, seventy-six new members were taken into the group. In February the Chapter had its annual Oregon Day Banquet at which the new commissioners were announced and old commissioners retired. The outstanding Spring event was the annual field trip taken by Senior members to an Oregon college. As the last function of the year the Junior members honored the Senior members at an annual potluck.
